Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Saturday 07 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Scattered showers, heavy in south. Best sunshine in north.

Today:
A rather cloudy start with some patchy light rain or showers. Brightening up by the afternoon, but heavy slow moving showers and some thunderstorms breaking out, these most frequent in the west. Light winds. Maximum temperature 21 deg C (70 deg F).

Tonight:
Showers near the west coast continue into the night, merging to give longer spells of rain across Wester Ross and Lochaber. Elsewhere, showers dying out to give a dry night. Minimum temperature 11 deg C (52 deg F).

Sunday:
Good sunny spells in the north and across the Hebrides with a few showers over the mainland. Further south cloudier with shower or longer spells of rain, occasionally heavy. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Further showers across the mainland on Monday, but lighter than recent days. Showers dying out from the west through Tuesday. a band of rain sweeps east on Wednesday.
